Lilies for Fall Delivery

Our Croft Lilies Come From This Field

CROFT

The Northwest Croft Lily is the best pot lily for Easter forcing. The past few years an ever increasing number of growers have bought our stock and have repeated their orders ever since.

Why don't you try a case or two this year and compare our bulbs with your present stock? We know you will be satisfied.

Size 7-8"	250 Bulbs per case
Size 8-9"	200 Bulbs per case
Size 9-10"	150 Bulbs per case

CROFTS AVAILABLE IN CASE LOTS AT PREVAILING MARKET PRICES. F.O.B. New York.

ESTATE

One of the best lilies for late cutting.

ESTATES AVAILABLE IN CASE LOTS AT PREVAILING MARKET PRICES. F.O.B. New York.

EARLY CROFT

A new strain of Croft Lilies similar to the regular Croft in flower and in habit. Foliage tends to be a darker green. Comments, from growers who have tried these, have been very favorable as to their bud count and forcing qualities. We recommend that the same time for forcing be allowed as for regular Croft but they require less heat; are therefore ideally suited for the grower whose houses cannot carry normal Croft temperatures. We have seen these brought along in the same house with Carnations and Snapdragons and they made Easter easily.

SIZE AND PACK THE SAME AS CROFT. PRICES WILL ALSO BE SIMILAR. F.O.B. New York.

CREOLES

Louisiana Grown Creoles, State certified, are excellent for cutting throughout the season. We will be able to make delivery from late September onward. For the grower whose houses have temperatures too low for Croft lilies they force well in pots for Easter.

Size 6-7"	400 Bulbs per case
Size 7-8"	250 Bulbs per case
Size 8-9"	200 Bulbs per case
Size 9-10"	150 Bulbs per case
